

CASE CLOSED

All the tools needed for a perfect joint, EVERY TIME!

TC3-636SK

Quick Release™ Tubing Cutter

Produces a square cut on PVC/CPVC so the pipe bottoms out in the fitting for best fit.

TC4QPVC

DEB4

Deburring Tools

Deburr and chamfer to manufacturers' standards in seconds.

DEB4 creates a smooth pipe end so solvent spreads evenly as pipe is joined. Fits six sizes of 1 1/4" - 4" PVC, CPVC, PP and ABS pipe.

For deburring 1/2", 3/4", and 1" plastic pipe in IPS or CTS, choose DEB1IPS or DEB1CTS, both with knurled grips for slip resistance.

DEB1IPS

Internal Pipe Cutter

Conveniently cut from the inside using a saw-toothed blade. Exclusive, adjustable guide doubles as a depth gauge.

IC1SL

Adjustable
Guide

Plastic Pipe Joint Kits
